Fibre:

1. Minimum 20kg of fibre of the same colour and the same quality. If less than 25 kg it will be mixed with the same colour and the same quality fibre from other breeders or from Clos du Jorat SA stock.

2. All fibre must be clean of vegetable matter and mites. Clos du Jorat SA has the right to refuse fibre that is infested or too dirty.

3. Your fibre will be weighed prior to washing, after washing and when the process has finished. Clos du Jorat SA will use the pre-washing weight for all calculations. It is important to note that you could lose from 15% - 50% of the original weight during the full process.

Prices:

* Washing and drying. Carding, Spinning, Twisting (3ply), Hanking. Final washing of hanks.
